## St. John Recovery Choir Fall Session 2020

For Fall 2020, all rehearsals will be virtual by Zoom, and 60 minutes long.

Instead of a weekly 2 hour rehearsal, we will have two one-hour rehearsals: one to sing oral tradition and Caribbean songs, and the other to prepare oral tradition and holiday music so that we can do a live or virtual holiday event.

We will also be adding two skill-building classes at no extra charge for interested Recovery Choir members: Sight Singing Made Simple and The Beautiful Basics: Healthy Vocal Technique.

**Registration can be done on our website, via email and US Post.**

### The weekly schedule:

Monday	10:00-11:00am	Sight Singing Made Simple
Tuesday	5:30-6:30	Oral Tradition and Caribbean Songs Rehearsal
