## St. John Recovery Choir Fall Session 2021

For Fall 2021, all rehearsals will be virtual by Zoom to start, and when possible, the Tuesday rehearsal will be offered outdoors on the Giffitt Hill School Upper Campus balcony. Thursday rehearsals will always be offered on Zoom.

We will have two nearly identical rehearsals: Tuesdays and Thursdays, and a virtual holiday event that will incorporate virtual choir videos this year!

We also offer two skill building classes at no extra charge for interested Recovery Choir members: Sight Singing Made Simple (levels 1 and 2) and The Beautiful Basics: Healthy Vocal Technique (a 5 class series).

**Registration can be done on our website, via email and US Post.**
