

# Solstice Song by Jan Garrett, arr by L. Nickel

## Lyrics

### **Women:**

Deep in the darkest winter night  
Here with candle burning  
Cozy and warm inside the light  
Now that the year is turning.

### **ALTO (with Sop, Tenor Bass singing "oo"):**

What does the future hold in store  
Where has our journey brought us?

### **ALL:**

How can we learn from what's gone before  
What has experience taught us?

Heart of Creation,  
Lover of shadow and light.  
Sing us the songs of a billion stars  
Silently all through the night.

Friendship will light the darkest hours  
True love will hold the vision  
Peace and good will on earth is ours  
Let it be our decision.

Doo doo doo...

**ALL:**

Heart of Creation,  
Lover of shadow and light  
Sing us the songs of a billion stars  
Silently all through the night

**ALTO (with Sop, Tenor Bass singing "oo"):**

Deep in the darkest winter night  
Here with my candle burning

**ALL:**

Cozy and warm inside the light  
Now that the year is turning  
Feel how the year is turning.  
Doo doo doo...
