

# Toot Toot Toot

Chris Clark, 2005 (w/revisions)

*Toot Toot Toot, Toot Toot toot, hear the Captain call:  
"If you don't get **on** board now, you **won't** get on at all,"  
**To** Tutu, **to** Tutu, on a shopping trip  
Oh what fun it *is* to ride on this *classy* little *ship*!*

Dashing o'er the waves, in a ferry boat so grand,  
Christmas music blaring, played by a steel band  
Bouncing up and down, rocking to and fro  
*When* we reach the *other* side, to *Tutu* we will go!

**TO** Tutu, **TO** Tutu, *hear* the driver *call*,  
"People get into the bus we're headed for the mall"  
To **Tutu** to... **Tutu** too-ting as we roar away  
Oh what fun it is to ride a taxibus today!

Dashing o'er the road in a taxibus so fine  
Up the hill we go, hear the gear dem grind  
Down the hills we come! On the brakes we slam!  
*Wonder* how long *we'll* be stuck in *this* big traffic jam!

**TO** Tutu, **TO** Tutu, Don't know where to start  
Miles of aisles clogged up with piles of people pushing carts  
**All** in a **big** hurry to **get** the presents *quick*  
*Pushing* shoving *anything* to *get* the perfect *pick*

Finally we're done, got more than we can carry  
Look there's Auntie Katie! Here comes Uncle Harry -  
Seems that they're just leaving, look they bought a truck!  
We can all ride home with them, I can't believe our luck!

Toot toot toot! Toot toot toot! Hear the Captain call.  
**If** we don't get **on** that boat we **won't** get home at all.  
Toot toot toot! Toot toot toot! Wonder who's in charge?  
Oh what awful **fun** it is to **back** onto the barge!!!!

**Crashing** through the waves, somehow we're all packed in  
Hey, **what's** that stinky smell? It's **that** big dumpster bin!  
Guess we'll be **behind** it...all the **way** to public works  
**Ain't** this life in **Paradise** just **loaded** with great perks!

**Too** too too...**too** too too...too **long** til we reach back  
**Too** too too...**too** too too...too **tired** to unpack!  
**Two** more days **til** Christmas, well **that** should be enough  
**Tomorrow** I'll **take** an hour to **wrap** up all the stuff.

**Toot** Toot Toot **Toot** Toot Toot **Toot** Toot **Toot** Toot **Toot**,  
**Toot** Toot Toot Toot **Toot** Toot Toot Toot **Toot** Toot Toot Toot **Toot**  
OHHHHH!  
**Toot** Toot Toot **Toot** Toot Toot **Toot** Toot **Toot** Toot **Toot**,  
**Toot** Toot Toot Toot **Toot** Toot Toot Toot **Toot** Toot Toot Toot **Toot**  
**TOOOT!**
