St. John Recovery Choir Winter-Spring 2020

For the 2020-2021 season, all rehearsals and classes will be virtual by Zoom, and 60 minutes long.

Instead of a weekly 2 hour rehearsal, we will have two one-hour rehearsals: one to sing oral tradition songs, and the other to prepare reggae and quelbe music so that we can offer a virtual concert in April.

We also offer three classes for interested Recovery Choir members: Sight Singing Made Simple (one for beginners and another for advanced beginner/returning students) and Healthy Vocal Technique.

Registration can be done on our website, via email and US Post.

The weekly schedule:

Monday	10:00-11:00am Sight Singing 2 advanced beginners/returning
	5:30-6:30pm Sight Singing 1 for beginners
Tuesday	5:30-6:30 Oral Tradition Songs
Wednesday	5:30-6:30pm Healthy Vocal Technique Class
Thursday	5:30-6:30 Caribbean Songs Rehearsal

Session weeks:
